

Air Spotter Plan Is Not Working Here

"Operation Skywatch," the civil defense 24-hour around-the-clock activation of air spotter units has entered its second month of operation, but still this entire area, Lafayette - Orinda - Moraga - Canyon, has been blanked out.

IN GETTING the program underway in this area, the main delay was in trying to find a building to house the air spotter unit. Paul Marchant offered what had been a former tract office to the use of the civil defense. The building is now in sections and located at the end of Edward Court.

Site for an air spotter station somewhere in or near Lafayette is expected to be announced this week, according to Vera Zang, assistant county coordinator of civil defense.

After finally getting the building, the civil defense heads have been attempting to find a suitable location, and are expected to announce the selected site either today or tomorrow.

ACCORDING TO Mrs. Zang, at least 100 volunteers will be needed to keep the air spotter group operating.

Commander M. Blaine De Leshe, USN, retired, who is post-supervisor for this area, organized a class in plane recognition earlier this year. Only a handful of persons volunteered their time. Now that a building has been selected and a site almost ready, there will be an urgent need for new volunteers.

ANYONE FROM teenage to retired adults may serve as air spotters. "All one needs is a good pair of eyes, a voice to tell his report over the telephone, and a strong feeling of patriotism," Colonel Harry Pike, commander of the 28th Air Division stated recently.

Persons interested may contact Commander De Leshe at Drake 8-8852. Aiding De Leshe in this area is Mrs. F. R. Devin who can be located at Drake 6-8697, and Mrs. William Gordon, who is helping in the Orinda area, who may be contacted at Orinda 8852.

Highway Plans Discussed By Commuters Group

The effects of proposed highway re-routing on commuter loading and unloading zones in this county came up for discussion at the regular monthly meeting of the Contra Costa County Commuters Association this past week.

John E. McKirahan, chairman of the service committee, pointed to a situation which has developed on the San Francisco peninsula, where it has suddenly been discovered that new freeway projects already well beyond the planning stage already make no provisions for commuters to board or alight from busses, except at widely separated points.

AS A RESULT of his report, the Association voted to direct a letter to the Public Utilities Commission, asking that it investigate all proposed freeway projects in this county, to see that adequate provisions are made for loading zones at such intervals along the highway as will permit safe and convenient access to bus facilities.

Results of a bus loading check conducted early in July came in for a review and general discussion. The figures presented indicated that while the over-all bus patronage has decreased since the bus drivers strike last spring, the San Francisco runs still show a better than 90 per cent average load factor, while the Oakland runs have dropped down to around 75 per cent.

FURTHER LOAD studies are planned for mid-September, and the opening of Bay area schools, which make up a substantial part of the Oakland load.

Magnus Hansen reported on the progress of installing bulletin boards at several waiting stations, as a means of posting notices and disseminating information to commuters at those spots where the majority board the busses. One such bulletin board has already been installed at the Orinda bus shelter. Others are planned for waiting stations in Lafayette, Walnut Creek and Concord.

The next regular meeting of the Commuters Association is scheduled for Tuesday, September 9, at Acalanes High School in Lafayette.

District Governor Speaks to Rotary

Otto H. Hieb, district governor of Rotary, spoke to members of the Orinda Rotary Club during their weekly meeting held Wednesday at the Willows.

Hieb spoke on the "Power of Rotary." Wednesday night, a special assembly meeting was held in the home of Leighton MacGregor, Rotary Club president. Hieb attended the meeting and discussed coming plans with the various Rotary Club committee chairmen.

No Action Set By Supervisors on Wood Subdivision

Action on Realtor Fred T. Wood's 97-lot map of Orinda Hills has not yet been scheduled by the County Board of Supervisors.

Last week, after a short discussion on the pros and cons of the subdivision bordering Moraga Estate, Moraga Manor and Moraga Glorietta, the County Planning Commission passed approval of it.

NOW THAT WOOD'S map has been accepted by the Planning Commission, it must be filed with the County Board of Supervisors who will take action on it.

"It often takes anywhere from one week to two weeks before we get the Planning Commission's recommendations," a spokesman for the supervisors said.

"AFTER THE subdivisions are approved," the spokesman continued, "they must be filed with the recorder's office. If there are any roads on the subdivision, it must go to the county surveyor first. All this brings about delays in our getting it on our calendar."

After getting approval of the subdivision, Wood announced last week, "I'll file the map and commence operation immediately."

Wood stated that the subdivision should be ready for selling by another 30 days.

Youth Injured In Highway Accident

Stewart Jackson, 11-year-old son of Mrs. Ellen Jackson of 827 Moraga Road, Lafayette, was badly injured Saturday when an auto crashed into his bicycle.

Mrs. Marion Devin, 37, of Jonas Hill Road, Moraga, driver of the auto, was going North on Moraga Road when the crash occurred at 2 p.m. The accident was on Moraga Road just south of Hamlin Road.

STEWART WAS knocked unconscious immediately following the accident. He was rushed to Herrick Memorial Hospital in Berkeley where Dr. Clyde Ball treated the youngster.

It was reported that the top of Stewart's head was cut nearly to the bone and well over 20 stitches were taken by Dr. Ball. X-rays were also taken of the youngster.

IT'S A MIRACLE the child is alive," one eye-witness stated.

When the crash occurred, Stewart was thrown against the cars window and "if the window had been open, his head would have been cut off," another witness said.

Attendants at the Hospital have reported that Stewart is "getting along fine."

Planners Approve Erickson Permit

The application of Cedric Erickson for a permit in Hacienda Del Orinda Unit number 5, was approved by the County Planning Commission during their meeting Tuesday.

Erickson's permit is for a seven foot side yard for a car port on lot 497 in the Hacienda Del Orinda Unit.

This had earlier been referred back from the Board of Supervisors for further consideration and was continued from last week's meeting.

Herbert Dwight On NROTC Summer Cruise

Herbert M. Dwight, son of Mr. and Mrs. Herbert M. Dwight of 89 Lombardy Lane, is among the 730 NROTC midshipmen on a summer training cruise in European waters.

Herbert is serving on board the battleship U.S.S. New Jersey which is the flagship of a task group including a cruiser and six destroyers. The ships return to Norfolk, Va. on September 5, after visiting Portugal, France and Cuba.

CALENDAR OF EVENTS

FRIDAY, AUGUST 15
Exhibit of Leonard Brooks' paintings, Artists Market, 1045 Stuart Street, Lafayette, 1 to 4 p.m.

SATURDAY, AUGUST 16
Cadets of Mt. Diablo Unit, Civil Air Patrol, Buchanan Field, 2 to 5 p.m.

SUNDAY, AUGUST 17
Attend the church of your choice. Park Pool swim races, 2 p.m., Park Pool.

MONDAY, AUGUST 18
Barbershoppers, 1022 University Avenue, Berkeley, 8 p.m.
Co-ordinating committee of Diablo area Boy Scouts and Girl Scouts, home of J. Norris Browning, Los Arabis and Rahara Drive, Lafayette, 8 p.m.

TUESDAY, AUGUST 19
Carnation Tennis Clinic, Acalanes High School, 9 a.m. to noon.
"State of Union" tryouts, Orinda School, 8 p.m.
USNR Volunteer Composite Unit, 12-25, Acalanes High School, 7:30 p.m.
Acalanes Masonic Club, Veterans

SANTA CLAUS IN AUGUST? Without a beard? Without a uniform? Without reindeers? Well, to these youngsters, Ben Chapman of 3616 Chestnut Street may very well be old man Saint Nick himself. During his spare time, Chapman takes the youngsters in his neighborhood for a "spin-around-the-block" in his motor scooter. Enjoying the ride in the above picture we have from left to right: Chapman, Suzanne Chapman, Johnny Louis, Cragie Dunn, Randy Romack, and Dawn Romack.

Final Rites Held For George Hawson

Funeral services were held in Oakland Saturday for George William Hawson, 68, of 118 Camino Don Miguel, a civil engineer, who passed away last week.

Hawson was buried in Mountain View Cemetery in Oakland following his death after a brief illness.

HAWSON is survived by his widow, Mrs. Gertrude Hawson, and three children, Mrs. Philip Dunn of Berkeley, Mrs. W. C. Bent of Piedmont, and George Owen Hawson of Berkeley.

He was employed by the State Water Research Planning Board at Sacramento. Hawson graduated from the University of California's Civil Engineering School in 1909.

IN 1920, HAWSON conducted a group of engineers to Athens, Greece to find a new water supply for that city.

He was superintendent of construction and engineers when the Memorial Stadium at the University of California was built, and Hawson also helped with the engineering work on the new library building at the California University campus.

HAWSON WORKED on the Dix river hydro-electric power development dam in Kentucky, and for his work on this project, the governor of that state made Hawson a "Kentucky Colonel," the states highest honor.

One of Hawson's first jobs was on the engineering work connected with the Strawberry dam at Phrecrest.

Hawson and his wife have lived in Orinda for the past nine years.

Browns Enjoy Visit

Mr. and Mrs. Robert Brown and family spent four days recently visiting Forest Honnold and their three children, formerly of Orinda, at their summer cabin at Lake Tahoe.

All had a fine time swimming and hiking though Robert put in considerable time expertly building a barbecue pot for the Honnolds.

Many persons in Orinda had asked for this class, which will be open to everyone.

Toll Road Could Help Hiway Work Expert Explains

"Contra Costa County is nearly 80 billion dollars behind in its highway improvement finances," Albert Simmons, of the California State Highway Department, stated this week.

"At that rate," Simmons explained, "it will take almost 40 years to build and improve all the roads and highways necessary in the county. It's easy to see that a toll road would make the possibility of starting actual construction work just that much quicker."

SIMMONS POINTED out these facts after being asked about the proposed toll road plan suggested last week by Senator Randolph Collier, chairman of the Senate Interim Committee on Streets, Highways, and Bridges.

Collier suggested the idea of a toll road to help pay for a new Broadway Tunnel and freeway construction through this area to Walnut Creek.

A SENATE INTERIM Committee meeting which will be held in San Francisco August 27 and 28 may discuss this proposed plan.

Simmons also pointed out some reasons why the proposed freeway which is to be constructed on Mt. Diablo Boulevard has been changed, and which will not probably start near the El Nido Restaurant and extend to Reliez Valley Road.

Simmons said that the reason for the change of the freeway was that less damage to property would be made, and the proximity of various developments near the original freeway plan would not now hinder any work.

"TO THE MOTORISTS," Simmons explained, "this will mean approximately one-half mile more of freeway."

Simmons and his department are now working out this idea on the basis of "advanced planning."

"Sometimes we do 'advanced planning' as much as 10 or 15 years in advance," Simmons said.

WHEN THE PLANS are completed, they are to be sent to the County Board of Supervisors for any action which may have to be taken.

"Even after we've worked out this entire plan, the program will not, and cannot be feasible until we get the needed finances to carry it through," Simmons concluded.

Barbara Stark Heads For San Diego Swim Meet!

It seems as though Barbara Stark, 15-year-old Olympic swim star, merely came home from Helsinki last week for a "breather" between trips.

Yesterday, Barbara and her parents, Dr. and Mrs. R. A. Stark, of 555 Manzanita Drive, left for San Diego and the Southern California Championships. The races will be held at the Mission Bell Pool today and tomorrow.

BARBARA WILL swim the back stroke and relay races, and will no doubt be a heavy favorite. Last year, Barbara won several trophies for her outstanding performance in free style and medley relays.

During the past week, Barbara appeared with her father on the Norm Standley TV show. Wednesday she was at Roos Brothers Sports Bowl, where Art Rosenbaum, San Francisco Chronicle sports writer, interviewed her.

BARBARA REPORTED that her greatest thrill during the Olympic Games was in watching Horace Ashenfelter in his great steeplechase run. Another highlight of the Olympics, Barbara said, was the impressive opening ceremony.

"The Russians were very friendly," Barbara reported. "When their leaders were with them, the Russians were quiet and seldom smiled, but when they were alone in the dressing rooms, they were very nice."

The girls talked to each other by sign language, with the main questions asked being, "what is your time, how long do you train, each day, and how are you fed?"

BARBARA COLLECTED a large number of pins worn by the athletes of the other nations. The Russian Red Star pin is her favorite, although the Hungarian pin is very outstanding.

When Barbara returns from San Diego she plans to enter the Far Western Swim Meet, which is to be held in San Francisco August 29, 30, 31 and September 1.

Mrs. Stark reported that Barbara's cut, which she received when she fell through a glass door at Helsinki, is healing "very nicely."

Week At Lake Thoe

Mr. and Mrs. William Mordy and Mr. Mordy's sister and husband from Los Angeles are spending this week at Lake Tahoe.

State Checks Lower Electric Rates Here

Sewer District Holds Hearing On Garbage Plan

The public hearing on the Contra Costa Sanitary District's proposed garbage franchise was held last night but no action was taken.

Although the session took place after the SUN went to press, Colonel H. M. Smitten, secretary to the board of directors, said yesterday that only a public discussion would be held.

"It's probable," he said, "that the board will set a date for a vote, but that will depend on what they do tonight."

JOHN NEJEDLY, attorney for the district, said he did not plan to attend the hearing. He also said the board would take no action. For it to do so, he said, would necessitate the calling of a special meeting.

Objective of the proposal is to grant an exclusive franchise for garbage collection and thereby increase the district's revenue.

Advocating the franchise are the following refuse firms: Valley Scavenger of Walnut Creek, the Lafayette Disposal and the Orinda Garbage and Refuse Disposal Service. All three are being represented by Samuel Hall, Martinez attorney.

OPPOSITION TO the proposal has come from Boyd Olney Jr., independent garbage collector, and his attorney, Robert L. Condon of Martinez, who have argued the franchise would stifle competition.

Voicing opposition also was the Gregory Gardens Improvement Club which sent representatives to last night's hearing.

ANOTHER MEMBER of the opposition is the Lafayette Improvement Association.

At its meeting Wednesday, it went on record as opposing the ordinance particularly because it tends to suppress competition.

However, the association did approve parts of the Ordinance which called for regulation of sanitary collection and disposal of garbage.

About our happy Country Folks

By EDITH BOLMAN

These Orinda young ones certainly step out and do things when you stop to think about it. Now John de Soto for instance — at the age of 19 stepped over to Walnut Creek awhile back and enlisted in the Air Corps.

He was sent to San Antonio for basic training which consists, among other things, of aptitude screening. As a result of that he was sent for eight weeks to Englin Air Force Base — 3204 Medical Group — Squadron 3706 near Pensacola and is called a 1 A Neuro-psychiatric technician. He is working in the closed wards with the boys who need psychiatric help.

HOW REMARKABLE to realize that the Army experience might well mold the future for a boy who is now seriously considering a technical or philosophical training for the future which might not otherwise have occurred to him. In other words, the Air Corps doesn't necessarily mean flying if your aptitude is stronger in some other field.

Then there is Jimmy Macomber at Norman Oklahoma with the Navy Air Corps and Allan Culp at Seattle with the Naval reserve.

Nancy Macomber, incidentally, is skimming around Echo Lake on water skis scaring the day lights out of her Mother and Father who saw their daughter perform for the first time last week-end. The Eugene Shurtleifs and their speedy boat, the Triad, are responsible for all that sort of thing and it certainly sounds like fun.

Mr. and Mrs. Charles Merrill are home from Lake Tahoe.

Mr. and Mrs. J. A. Van der Haeghen and son Mark are home from a flying jaunt to South Bend and Des Moines to visit members of both families. Now they are packing their fish hooks and are heading for Stanislaus river at Dardanelles on the prowl for the illusive trout. That Dardanelles business came as somewhat of a shock to us, having no idea there was any such place in California — hailing as we do from the "Oh, Sweet Dardanelles" school.

A COUPLE of weeks ago Mrs. James Irwin, Mr. Lindsay Spight and Mrs. Wayne Bently trudged off to the State capitol to represent Orinda (first time Orinda has had representation) on our State Central Committee. Rubbing shoulders and swapping ideas with such well known gentlemen as the Messieurs Nixon, Warren and Knowland, proved to be quite a fascinating performance.

INCIDENTALLY, speaking of political goings-on: the diligent souls who hung around to help clean up after the Young Republican party at the Harvey Lyons recently were rewarded by being given a peek at Mrs. Lyons' famous doll collection. Nobody seemed to know how many dolls there were but they have come from all over the world, are carefully placed in glass cases and there is even one in a replica of Mrs. Lyons' wedding dress made of some of the same material.

Mrs. James Anderson is home from a trip East with her friends Dean and Mrs. Gallion and their daughter Jan. Mr. Gallion is the dean of Architecture at U.S.C. and was one of the honored guests on a Navy European cruise so Mrs. Anderson flew part way, and drove part way, with them then visited her daughter and family in Ashberry Park. On the way home they did Salt Lake which of course includes swimming. It actually is so salty that you bob around in a floating position and it is a struggle to even put your feet down on the bottom.

Jan Gallion returned and is now the house guest of Mrs. Anderson.

Also home from a three week stay at their cottage near Ben Lomond are Mr. and Mrs. J. H. Echwark and sons Jeff and Bill. Of the Schwark animals 50 per cent went along — the dog "Tinker" — and 50 per cent stayed home — the cat "Struggle Baby." Now we have heard of a lot of unusual names for family livestock — the white mouse named Praxiteles, the pekinese named Rover and the chow called Jello but now really don't you think "Struggle Baby" is priceless!

More dogs — Mr. and Mrs. L. M. Bullock are on a trip around the world but stopped off in Leeds, England, long enough to buy a golden retriever puppy to send to Dr. and Mrs. G. L. Kerrigan.

HOME FROM THE DOME — Mrs. Joseph Lang, Luzanne and Mrs. Harold Lang had a nice trip to Feather River on that fancy new train with the glass bubble on top. Wonderful idea — you can see not only where you are going but directly above you where you couldn't possibly go even if you wanted to — that is, of course, without a helicopter or a free ticket to heaven.

Babies again: This time Harrington Leonard Smith (known to intimates as Hal) the eleven pound six week old son of Dr. and Mrs. Carl Wellington Smith whose name has a double hinged four barreled meaning — both Harrington and Leonard are names of a grandfather and an uncle apiece, so baby Smith has quite something to live up to. The same is also true of his growth and development because he is on Papa Dr. Smith's favorite formula and routine so he just has to perform according to Hoyle.

DR. SMITH'S Mother, Mrs. Harvey Smith, who was Mother of the Year in 1949 of Illinois, will be visiting for several weeks. And why shouldn't she be an outstanding mother with five sons, three of them doctors, one an English professor at U.C.L.A. and one a research engineer at Cleveland. She seems to have time to do many interesting things not the least of which is her annual tour from St. Louis to visit all the sons and their families. Yes, baby Smith has a lot to live up to even beyond being the inspiration for showers given by Mrs. Victor Graber, Frank Silva, and Calvin Hagstrom.

Home from Balboa, the Fred Borden and Nonie, Holly and Ricky. The children were charmed with the ocean and Father charmed an albacore out of same and into the oven.

There were a worried few moments when it was realized that no one knew how to cook an albacore but a few frantic phone calls produced a recipe so the fish was baked, eaten and thoroughly enjoyed.

On the way from Balboa to San Marino to visit friends they stopped at Laguna to see the Arts and Crafts Festival and were mightily impressed with the pageant of famous paintings and sculpture put on by the local group of players. The Last Supper, The Gleaners, the Sistine Madonna, Washington crossing the Delaware, the Discus Thrower and the Carnival were particularly outstanding.

RECIPE DEPARTMENT: If you would like to go down in history as the hostess who hit the gustatorial jackpot why not serve raw frozen fish dipped in seal oil, whole blubber (called muc-lac and tasting like pickled mushrooms) turtle steaks and conch chowder. Of course you know all those beautiful conch shells, and now it appears that there is a pink clam like muscle living there — in who (or which) makes a delicious chowder. Now don't say you can't, because of conch you can. These various delicacies have all been sampled by Mrs. J. G. Ainsworth who was the first woman member of the "Top of the World" club because of a secret mission she attended for the Navy at Point Barrows. That is where the blubber and fish business came in — the conch and turtle bing was at Key West where she took a Navy orientation course and went for a cruise on a destroyer. How one makes out on a destroyer when one is full of turtle and conch we were considerate enough not to ask.

Mrs. Ainsworth incidentally has done MORE fascinating things — she was a Wave Lieutenant and public relations officer for the Naval Air Transport Service — after the last war she represented a newspaper syndicate and covered Johnson Island Quajalain, Guam, the Philippines, Okinawa, Shanghai and Japan getting stories on post war Navy installations and human interest stories from people she encountered from the areas represented by the papers in the syndicate.

Also she is secretary and publicity chairman for the East Bay Council of the Navy League and arranges radio and T.V. programs, store displays and gives talks on information about women in the service. We are going to corner Mrs. Ainsworth one of these days and get some real human interest stories and, possibly, a couple of more recipes — which gives us an idea — there are so many fascinating people in Orinda and they are always generous with time for us as soon as we tell them that this column is done entirely for the financial benefit of the Children's Hospital.

Naturally we don't know everybody so if you have an idea about someone we could interview and get a story with good "reader interest" why not drop us a note in care of THE SUN and we will follow through on it and maybe we can make this a more interesting column.

New Type Movie Screen Now At Orinda Theatre

The Orinda Theatre has installed an entirely new kind of motion picture screen. Called "Glasscreen", it is woven entirely of glass fibres to form a seamless fabric surface.

The advantages according to Orinda Manager Ben Randall, are greatly improved sound (especially for the side seats) and more life-like picture detail, depth and brilliance in both color and black-and-white. Color films are spectacular, because the woven glass fibres reflect every color of the rainbow with exceptional clarity.

AN IMPORTANT advantage from the standpoint of safety — the new Orinda screen is absolutely fire-proof. Glass simply will not burn.

In the days before sound almost any flat white surface was considered good enough to project the movies on. Sound, to be realistic, required speakers located in back of the screen. Most screens, until now, have been of white fabric mounted on a rubber backing with holes punched through for the sound.

THIS REDUCED the brilliance of the picture because there were thousands of tiny holes all over the screen. The Orinda Theatre's new "Glasscreen" does away with these holes entirely. Although the high-reflection and porous characteristics of woven glass fabric have been known for years, it was not possible to make glass screens for professional use until a loom large enough to weave them in theatre-sizes was built. Even now, only ten screens per week can be manufactured.

Sally Tinkham, John Wadsworth Exchange Vows

Sally Ann Tinkham, daughter of Mr. and Mrs. Gordon Tinkham of 112 Canon Drive, became the bride of John William Wadsworth, Junior in a wedding ceremony performed last week by Father Edwin Keller in Corpus Christi Church, Oakland. John is the son of Mr. and Mrs. William Wadsworth of Berkeley.

NANCY TINKHAM, Sally's sister, was maid of honor. Bridesmaids were Patricia Wadsworth of Berkeley, Margaret Thomas of Spokane, and Joyce Myers of Berkeley.

Michael Wadsworth acted as best man, while ushers were Leroy Pinador, Theodore Moulton, and George Stephenson.

Sally wore a gown of white embroidered organza designed with a full gathered skirt, fitted bodice with small collar and short sleeves. Her short veil was held in place with a garland of lilacs and she carried a bouquet of white orchids and stephanotis.

Nancy wore a gown of pink taffeta and carried pink tuberoses. Bridesmaids wore pink taffeta gowns also, and carried bouquets of white begonias.

IMMEDIATELY following the wedding a reception was held in the home of Mr. and Mrs. Tinkham for the families and friends of the newlyweds.

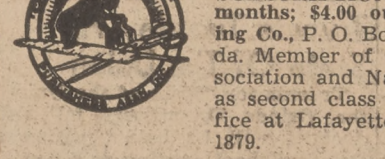

When the two return from their honeymoon they will live in an apartment on College street in Berkeley.

John is now getting his masters degree at San Francisco State College. Sally is a secretary in the Central Bank of Oakland.

New Sign Going Up On Moraga Highway

A sign advertising the K. L. Lincoln subdivisions near Moraga Highway is now being erected at Moraga Highway and Golden Gate Way, by the K. L. Lincoln Company.

Work on this project is expected to be completed at almost any time. The property where the sign is being placed belongs to Donald Breed.

Mrs. Snow To Act As Maid Of Honor

Mrs. John F. Snow of Davis Road, will be matron of honor during the wedding ceremony of her sister, Phyllis Marie Hammond, who is to wed John Elmer Johnson, Sunday August 24, at Piedmont Community Church.

Following the afternoon ritual, a wedding reception will be held in Mrs. Snows home.

Mrs. Snow entertained last week at a mother-and-daughter party for 30 of the bride-to-be's friends.

Massie Family Wins Honors On Vacation

Many prizes and honors were received by Mr. and Mrs. Stan Massie of 556 Moraga Highway during their recent two week stay at the "Lair of the Golden Bear" near Pinecrest.

The Massie family participated in many games and contests during their vacation, and won a number of top awards.

Trip To Big Basin

Mr. and Mrs. B. B. Seim and son Ben and his daughter Kathleen spent two weeks camping in Big Basin in the Santa Cruz Mountains recently.

They had the comforts of a gas stove for cooking and hot running water at all times.

Among their camp neighbors they found many delightful people of all ages, some from southern California and some from out of the state.

Santa Rosa Visitors

Mr. and Mrs. Charles Pimental of 39 Crest View Drive are currently enjoying the visit of their daughter Mrs. Lloyd Pearson and four children from Santa Rosa. The oldest of these children are twin girls.

Neldam Family On European Journey

Mr. and Mrs. George Neldam and their daughter Eleonore, of 304 La Espiral, are now on a tour of Europe. After flying to New York and sailing on the Queen Mary to Southampton, first part of call for the Neldam family was Britain.

THE NELDAMS did extensive sightseeing in London, Oxford, Warwick, and visited Stratford-on-Avon, where William Shakespeare was born.

They discovered a professional interest in Banbury, home of Banbury cakes, a fruit-filled tart. As confectioners, the Orinda couple passed highly favorable judgement on the traditional English delicacy. "It's made with a wonderful puff pastry that's very hard to create," Mr. Neldam commented.

The Neldams will stay in Europe until September.

Bride-Elect To Be Honored

Dolores Boghosian, whose engagement to Darrow Drake Olson of Orinda, was announced recently, will be honored at several parties to be given this month.

Mrs. Arthur Madsen of Lafayette and Mrs. William E. Miller of Piedmont Flies will be hostesses at one party. Mrs. Arrie George and Mrs. Archie Emerjian will also give a party for Dolores.

THE WEDDING has been set for September 27 at St. Paul's Episcopal Church in Oakland.

Dolores is the daughter of Mr. and Mrs. Hovagan of Oakland, and Darrow is the son of Mr. and Mrs. Anthon Olson of 285 Orchard Road, Orinda.

Ralph Boghosian of 1064 Dolores Drive, Lafayette, is a brother of the future Mrs. Olson.

Eller Family Home From Vacation Trip

Dr. and Mrs. W. E. Eller and son Jerry of 14 Los Altos Road spent part of their July vacation at Huntington Lake.

Deep snow on the mountain sides prevented their taking the pack trips planned other than a one day trip of 24 miles on horseback riding from Mono Hot Springs. Added to the excitement of this adventure was Jerry's horse, which was in the lead, giving a mighty jump when a rattlesnake glided under his legs to cross the road, frightening its young rider but not throwing him.

From the lake they drove north to show Jerry the Oregon Caves and then into Siskiyou County, the scene of Dr. Eller's boyhood days. Here in these Trinity Alps they had three weeks of fine fishing.

Ship Dance Set For Encinal Yacht Club

In a "Ship Ahoy" vacation spirit, members of Manzanita Branch, Children's Hospital of the East Bay, are planning to launch their fall season with a "Ship Dance" on September 20.

The Mesdames Joseph Downs, Robert Maddox, and W. C. Young, members of the branch, are planning to attend the dance.

The Encinal Yacht Club at the foot of Grand Street in Alameda will be the setting for the nautical affair.

'Fiesta Mexicana' To Be Staged by Hospital Group

The Louis Spott estate in Walnut Creek will be transformed into a bit of old Mexico on September 6 when members of Walnut Branch of the Children's Hospital of the East Bay stage their second annual Fiesta Mexicana.

Three-hundred guests and members are expected at the Mexican styled dinner on candle-lit tables under the trees. After dinner, dancing will be enjoyed around the flower-laden pool.

In charge of the evening's festivities is Mrs. Jack Turman, assisted by Mesdames John Hannegan, Robert Haring, Phillip Greer, Warren Ronneberg, Eugene Wisend, Robert Bruen and Standish Massie.

Tickets are available from any branch member. Proceeds will go to Children's Hospital of the East Bay to benefit children from Contra Costa County.

Happy Birthday

Maureen Downs, daughter of Mr. and Mrs. Joseph Downs, 94 Sleepy Hollow Lane, celebrated her ninth birthday Wednesday with a party at the Orinda Park Pool.

Maureen's guests were Penny Phillips, Susan Hammond, Cathy Brobeck, Maureen Collins, Nancy Gunther, Carolyn Coburn, Nancy Engelhart, Mary Gillivan and Sue Schilling.

TIRE BALANCE

Rotating the tires on your family automobile will not only equalize wear but will definitely help maintain wheel balance. The California State Automobile Association points out that as tires wear unevenly they also wear "out of round," thus unbalancing the wheel.

Clarence, Norma Betz Both Active In Community Affairs in Orinda

Clarence E. Betz and his wife, Norma, of 12 Sunrise Hill, have been active in Orinda community affairs since they first moved here in 1941.

Betz was secretary and treasurer of the Orinda Chamber of Commerce, is finance chairman of the Orinda Fire District, and is a member of the Rotary Club.

HIS WIFE is an active member of Pandora Chapter of the Children's Home Society, and was the first president of the group when it was organized.

Clarence, who is a public accountant and a tax consultant, with his office at 61 Moraga Highway, didn't start in business here until 1945. Before then he was an accountant for the State of California.

BETZ IS ALSO an active member in the Sigma Phi Epsilon Fraternity alumni. He is a gardener and a member of the Orinda Rangers, a recently reorganized horsemen's group.

Norma not only enjoys horseback but is an outstanding ice skater. Recently Mrs. Betz performed in the St. Moritz ice show. She did several novelty numbers and performed some figure-skating stunts.

The Betz's recently celebrated their 22nd wedding anniversary.

Horn Family Enjoys Short Vacation Trip

Mr. and Mrs. E. Horn, of San Francisco, are currently enjoying a short stay with their daughter, Mrs. Jeanette Orland, of Meadowbrook Lane.

The Horn family will enjoy seeing their two young grandchildren, Marc and Lorraine.

Mr. and Mrs. Horn come from an early California Pioneer family.

Shopping at home means real convenience for you.

'Only Safe Mind Cure' Set For Sunday Sermon

On Sunday, Rev. Godfrey Matthews will conduct Orinda Community Church services starting at 10:30 a.m. His sermon topic will be "The only safe mind cure."

The special music will be the anthem, "O Come Everyone That Thirsteth," from Mendelssohn's Elijah sung by a quartet composed of Mrs. Daniel Popovich, soprano; Mrs. Jeanne Watkins, contralto; Kenneth Courtwright, tenor, and James Hupp, basso.

Sunday school classes also convene at 10:30, the older children only participating for the first half hour in the adult service.

Rev. Fred Morrow and family are spending a month's vacation camping, fishing and hiking in the high Sierra.

Shopping at home means real convenience for you.

LEGAL NOTICE

NOTICE OF CONSIDERATION OF APPLICATION FOR A LAND USE PERMIT BY THE CONTRA COSTA COUNTY PLANNING COMMISSION UNDER PROVISIONS OF ORDINANCE NO. 382

NOTICE IS HEREBY GIVEN that the Contra Costa County Planning Commission will give consideration to the application of Peter J. Panella for a use permit.

Said application is to modify provisions of Section 4 Subdivision F Subsection 6 of the provisions of Ordinance 382 as hereafter set forth, namely: 12 foot set back.

Property is located on the following maps which appear as Subsections 24 of Section 3 of Ordinance 382:

Brief description of property: That parcel of land being Lot No. 659, Haciendas Del Orinda, Unit No. 7. Said parcel fronts approximately 100 feet on the northeast side of Camino Don Miguel, approx. 200 feet southeast of Los Altos.

The time and place of said hearing will be in Room 210, Hall of Records, Martinez, California, 8-26-52, 7:30 P. M.

G. F. McCORMICK, Secretary Contra Costa County Planning Commission. O-259, Orinda Sun, Aug. 15, 1952

State May Lower Electric Rates

(Continued from Page 1)

fringe areas adjoining incorporated communities, or 300 electric customers for isolated well-developed, built-up communities, and with an electric customer density of not less than 50 per mile of pole line.

The committee is expected to announce their decision on the Pacific Gas and Electric Company's rate application shortly.

LEGAL NOTICE

NOTICE OF FILING ASSESSMENT AND OF THE TIME FIXED FOR HEARING APPEALS LOCAL IMPROVEMENT DISTRICT NO. 22

NOTICE IS HEREBY GIVEN that the Assessment, together with a Diagram and Engineer's Certificate attached thereto, in the matter of the work and improvement to wit: The construction of sanitary sewers and appurtenances in Local Improvement District No. 22 in Central Contra Costa Sanitary District of Contra Costa County, State of California, was filed with the Secretary of the District Board of said Sanitary District, and in the office thereof at 1922 Mount Diablo Boulevard, City of Walnut Creek, in said County, on August 7, 1952.

NOTICE IS HEREBY FURTHER GIVEN that the owners, the contractor, or his assigns and all other persons interested in said work or in said Assessment, feeling aggrieved by any act or determination of the District Engineer in relation thereto, or who claim that the work has not been performed according to the contract in a good and substantial manner, or who claim that any portion of the work for any reason was omitted or illegally included in the contract for the same, or having or making any objection to the correctness of the Assessment or Diagram, or other act, determination or proceedings of said District Engineer, may, prior to the date hereinafter fixed for hearing, appeal to said District Board by briefly stating in writing the grounds of appeal.

And the 10th day of September, 1952, at 8:00 o'clock p.m. on said date and the meeting place of said District Board at 1922 Mount Diablo Boulevard, in said City of Walnut Creek, have been fixed as the time and place when and where any and all persons interested in said work or Assessment may appear before said District Board and be heard by said District Board upon such appeal, and show cause, if any they have, why said Assessment should not be confirmed.

Reference is hereby made to Resolution of Intention No. 679 adopted by said District Board on the 1st day of March, 1951, under which said work was done, for a description of said work.

Dated: August 7, 1952.

H. M. Smitten Secretary of the District Board, Central Contra Costa Sanitary District, Contra Costa County, State of California. O-258, Orinda Sun, August 15 and 22.

New Association Announced in Local Real Estate Firm

Harold O. Lissner, a real estate broker with the Platt Construction Company, has recently joined forces with Marian Pittman, who has been in real estate in Orinda since 1939, and together they will enlarge the Plattman real estate office which is located at 232 Brookwood Road.

There will be no change in the name but the entire space of approximately 1100 square feet will be utilized for the operation of real estate.

IT IS ALSO the intention of the new association to increase the sales force and the facilities of the office to take care of the increasing business in the Orinda-Lafayette area.

The first new member of the sales force is Lloyd E. Holton, formerly of Highland Real Estate Company in Walnut Creek.

Shopping at home means real convenience for you.

Rev. Hill Set To Conduct Service

Visiting Orinda from Trinity Episcopal Church in Victoria, Tex., the Rev. Charles N. Hill will conduct the services for St. Stephen's Episcopal Church, on Sunday at 8:45 a.m. at the Orinda Community Church building.

ORDAINED A PRIEST in 1939 by Bishop Cassidy of Oklahoma, after completing his education at Austin College and Southern Methodist University, Reverend Hill became well known throughout the southwest for his work with young people, and his ability as an athlete and coach.

Recently he has served as counselor to psychologically maladjusted persons, working closely with physicians and psychiatrists.

FOR THIS MEMORABLE visit vocal soloist Stan Stidham will sing "Comfort Ye My People" from "The Messiah" by Handel. Mrs. T. J. Fahay, organist, will offer "Prelude et Cantilene" by Rousseau, and the postlude "Sarabande" by Corelli.

Right Human Relations

CHRIST JESUS outlined the foundation of all right human relations when he said (Luke 10:27), "Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind; and thy neighbour as thyself."

He taught a way of life harmonious for all men and nations, based on an understanding of God and man as Father and son. He illustrated his love for God by his love for mankind. He exemplified his divine sonship by healing the sickness and sin of those who sought his aid and by overcoming all material limitations. When he fed the multitudes confronted by a scarcity of food, he proved Spirit to be the ever-available source of supply and demonstrated his understanding that God, divine Love, meets every need.

But Jesus sternly rebuked the materialism which indulged in money changing in the temple, and he routed the offenders. Thus he clearly indicated that men should not make material acquisition the primary motive of life. He said on another occasion (Matthew 6:33), "Seek ye first the kingdom of God, and his righteousness; and all these things shall be added unto you." In all that he said and did he revealed unmistakably that his reason for existing was to show forth the perfect man of God's creating, who eternally reflects God's ever-present love and power.

Mary Baker Eddy, the Discoverer and Founder of Christian Science, discussing the two great Scriptural commandments which Jesus emphasized, writes, in the textbook, "Science and Health with Key to the Scriptures" (p. 467): "It should be thoroughly understood that all men have one Mind, one God and Father, one Life, Truth, and Love. Mankind will become perfect in proportion as this fact becomes apparent, war will cease and the true brotherhood of man will be established. Having no other gods, turning to no other but the one perfect Mind

to guide him, man is the likeness of God, pure and eternal, having that Mind which was also in Christ."

In order truly to love God and man, as Jesus did, it is necessary to understand that God is Life, Truth, Love, the divine Principle of all being, and that man is God's reflection. As God's reflection, man is perfect, complete, and forever harmonious. He is incapable of discord, disease, and death and is never subject to lack. He has neither material origin nor mortal existence, nor is he dependent upon matter for life or subsistence. Man is entirely spiritual, forever supplied with all good by reason of his eternal unity with the divine Mind, God. These are fundamental spiritual facts which repudiate the actuality of matter and mortality. To the extent that we understand and apply them, we find them reflected in more harmonious human relations.

The chief stumbling block for men in all ages has been the belief in the reality and substantiality of matter. In the belief that material gain brings happiness, promotes health, and sustains life, men become greedy, selfish, envious, material-minded, dishonest in business, and unjust to their fellow men.

The right basis of all friendly human relations is the understanding of God as Father, the divine Mind and intelligence of the universe, and of man as His son or infinite reflection. This true relationship does not concede the existence of minds many, nor does it function on a material basis for personal gain. On the contrary, it acknowledges and expresses the omnipresence and omnipotence of God, publicizes good, promotes justice and harmony, and supplies all with abundance.

Thus understood and functioning in individual, national, and international life, the spiritual idea of life and substance expresses the divine relationship of God and man and demonstrates the brotherhood of man in human experience. . . . —The Christian Science Monitor.

Bramble Gets High Legion State Position

Harry Bramble of Lafayette American Legion Post 517 was named as vice-commander of the Department of California of the American Legion during the recent state convention held in Fresno.

Bramble will be in charge of the entire second-area.

Harriet Kittredge, Auxiliary member, was installed as president of the ninth district during the convention.

IN AWARDS AND honors that were presented, the Ninth District won first place for their rehabilitation program and received a check and citation.

George Reich of Orinda was in charge of this program.

The auxiliary won third place in state competition for their press book, and also for their recent poppy window display.

Jack A. Bern, of Martinez, was named as national executive committee member.

Legion members who attended the convention were: Chet Howard, Willard Welch, Earl Gustafson, Ernest Kittredge, Burgess Beauchamp, James Shank and Lloyd Seagrave.

Auxiliary members who attended the convention included: the Mesdames Chet Howard, Willard Welch, Earl Gustafson, Ernest Kittredge, Burgess Beauchamp, and James Shank.

Methodist Church Building Program Now Underway

The Lafayette Community Methodist Church has started on its long range building program.

The first part of that program is to build a new parsonage for the pastor and his family so that the present parsonage can be used for Sunday school rooms to take care of the ever increasing number of children whose parents wish them to have Sunday School training.

A LOT HAS BEEN secured on Rosedale Avenue and construction has begun. John Merro is the builder and is in charge of all building work and agreements. Merro is a member of the Church and he is building on a profit basis.

The parsonage will have over 1350 sq. feet of living space. There will be three bedrooms, 2 bath, large front room, dining room, kitchen with breakfast room, wash room, storage room and car port.

IT IS HOPED that the old parsonage will be available for Sunday School by November 1. The building program was developed by the Board of Trustees of the Church with the pastor as chairman.

The future building program will progress on the present church property where they will build educational facilities, social facilities and a sanctuary. The growth of the Church and Sunday School is so great that the present building is taxed to capacity during the school year.

The Board of Education of the Church met and have proposed a program of using the space now more effectively so that we will be able to take care of about a 20 per cent. increase over last year.

The new parsonage is the first step on a major building program at the Lafayette Community Methodist Church.

Other Lafayette members assisting Tuesday were Rosemary Sore, and Mesdames Percy Cohn, Carl DeTar, Charles Steward, William Hughes, Chester Howard, Sy Gary, Frank Buchanan, Charles Court, James McMullin, Eugene Cox, and James Shank.

Lafayette members wishing to participate in the blood program were asked to contact the chairman for instructions and assignment. The next Auxiliary-sponsored visit to Camp Staneman is scheduled for Tuesday, September 9th, Mrs. Anderson announced.

At 'Lair of Bear'

Mr. and Mrs. George Alton of 740 Glenide Circle, have just finished a week's vacation in the family atmosphere of the 'Lair of the Golden Bear,' the University of California's alumni camp, set in the Sierras at Mammoth, 165 miles east of Berkeley.

Several girls from Acalanes High School will act as models for the fall Sub-Deb Fashion Show, which is to be sponsored by the Children's Hospital of the East Bay October 4.

Girls who will model include: Kay Mickel, Marian Somers, and Sandra White, all of Daphne Branch.

The fashion show will be held at the Claremont Hotel.

Blood donations by military and civilian personnel at Camp Staneman have reached a record 11,334 pints as of July 29.

Colonel Thomas Gunby, post commander, said that by the end of June, the camp was third high in the Sixth Army area.

Eastern Star To Honor State Heads

Lafayette and Orinda area members of the Order of the Eastern Star will join with thousands of other members of the fraternal organization in honoring state leaders at a reception and ball Saturday evening, August 23, at the Oakland Municipal Auditorium.

Hundreds of officers representing East Bay chapters will participate in ceremonial pageantry scheduled to begin at 8 p.m.

Included on committees for the reception and ball are Mr. and Mrs. Geresu Nordlund of Lafayette, patron and matron of Alamo Chapter, Walnut Creek, and Mr. and Mrs. Herbert Goranson, of Orinda, patron and matron of Nova Dies Chapter, Oakland.

Nordlund is a member of the program and printing committee, and his wife, Peggy, is on the flower committee. Goranson is general chairman of the affair, while his wife, Evelyn, is co-chairman of the music committee.

Legion members who attended the convention were: Chet Howard, Willard Welch, Earl Gustafson, Ernest Kittredge, Burgess Beauchamp, James Shank and Lloyd Seagrave.

Auxiliary members who attended the convention included: the Mesdames Chet Howard, Willard Welch, Earl Gustafson, Ernest Kittredge, Burgess Beauchamp, and James Shank.

Other Lafayette members assisting Tuesday were Rosemary Sore, and Mesdames Percy Cohn, Carl DeTar, Charles Steward, William Hughes, Chester Howard, Sy Gary, Frank Buchanan, Charles Court, James McMullin, Eugene Cox, and James Shank.

Lafayette members wishing to participate in the blood program were asked to contact the chairman for instructions and assignment. The next Auxiliary-sponsored visit to Camp Staneman is scheduled for Tuesday, September 9th, Mrs. Anderson announced.

At 'Lair of Bear'

Mr. and Mrs. George Alton of 740 Glenide Circle, have just finished a week's vacation in the family atmosphere of the 'Lair of the Golden Bear,' the University of California's alumni camp, set in the Sierras at Mammoth, 165 miles east of Berkeley.

Several girls from Acalanes High School will act as models for the fall Sub-Deb Fashion Show, which is to be sponsored by the Children's Hospital of the East Bay October 4.

Girls who will model include: Kay Mickel, Marian Somers, and Sandra White, all of Daphne Branch.

The fashion show will be held at the Claremont Hotel.

Blood donations by military and civilian personnel at Camp Staneman have reached a record 11,334 pints as of July 29.

Colonel Thomas Gunby, post commander, said that by the end of June, the camp was third high in the Sixth Army area.

MR. AND MRS. A. F. HANSEN of 2511 Cherry Lane, Walnut Creek, are seen looking at one of the many outstanding paintings of Leonard Brooks, which are now being shown at the Artists Market, 4045 Stuart Street, Lafayette. The Outdoor Art Shows, Inc., is sponsoring this one-man art show which drew high praise from first day crowds last Sunday. This display will be open to the public from 1 to 4 every Thursday and Friday afternoon throughout August.

Matt And Elsa Connelly Jr. Set To Celebrate 11th Wedding Anniversary

Matt and Elsa Connelly Jr., of La Vista in Walnut Creek, will celebrate their eleventh wedding anniversary come August 20.

Matt, owner of the Appliance Center in Lafayette, and his wife have lived here since 1946 when they arrived from Berkeley.

THEY HAVE TWO youngsters, Matthew III, who is eight, and Dan, who is five-years-old. Matt is going to Walnut Height School where he is in the fourth grade, while Dan will be starting kindergarten come the fall.

Matt was first president of the Lafayette Rotary Club and first president of the Lafayette Chamber of Commerce.

Elsa, like her husband, belongs to several civic organizations. She is a member of the Walnut Creek branch of the Red Cross and is also a member of the Contra Costa County Republican women.

DURING THE WAR, Matt was an air craft ordinance officer and served in the Pacific. He was a member of Air Group 13.

When he isn't busy at the appliance store, Matt likes to go hunting and fishing.

Upon completion of his training, he will return to his position as President of the Judge Map Co.

Johnson suffered a broken jaw when he was struck by umpire Elmer Bates, during a game sanctioned by the Martinez Softball league, according to the claim.

Alan Johnson, 'Arthur's' father, made the claim on behalf of his son.

Swim-Barbecue Party Termed 'Successful'

A swim and barbecue party was recently given by Al Stewart and Dave Barrows, both Acalanes High School students, and all present at the affair termed it a great success.

Guests who were at the party include: Marianne Somers, Dave Cranston, Sharon Eggerts, Ben Randall, Margaret Roe, Stan Pedder, June Derry, Jim Small, and Kay Mickel.

Open House Set For Tonight At Lutheran Church

Open house will be held at Our Savior's Lutheran Church in Lafayette tonight at 7:30 p.m. for the pupils of the Daily Vacation Bible School and their parents, relatives, and friends.

After a brief program, there will be a display of articles made by the pupils and a light lunch will be served.

'Jesus Said, Go!' will be the subject of Pastor Luther Berven's sermon at both the 8:00 a.m. and 11:00 a.m. services on Sunday morning.

THE WOMEN'S TRIO, composed of Mrs. Fred Dietz, Mrs. Ralph Saxton, and Mrs. Tonder Strand, will sing two selections at the 11:00 a.m. service.

The Sunday School hour is at 9:30 a.m.

On Tuesday evening the Brotherhood will attend the "Oaks-Rainier" baseball game in a body. The group will meet at the church at 7:00 p.m.

'Faith' - Topic Of Methodist Church Sermon Sunday

The sermon at the Lafayette Community Methodist Church at both the 8:30 service and the 11:00 a.m. service will be "Your faith can make you well."

The scripture background will be the 13th Chapter of First Corinthians. This will be the first in a series of three sermons on faith, hope, love.

The overall questions, do we have faith in ourselves? Do we have faith in our God? These are the important questions for each of us to think about and the second one being possible only after the first one has been answered. We must believe in our own worth as children of God and as a brother to Christ before understanding.

The Gideons of Oakland will carry out this theme Sunday when they will be in charge of the morning service. The Gideons always have an interesting and inspiring message to offer.

The evening service will be in charge of Covenant Church chairman, Morris Bergison, and he has an interesting service planned.

The Church board is meeting Tuesday evening at 8 p.m. at the church. All Board members have been urged to be present.

There will be mid-week prayer service on Wednesday at the Church starting at 8 p.m.

A week from Tuesday, the Women's Society of the church will be meeting at Mrs. Ed Petersons home on Boyer Circle.

Pat Zamloch, Ann Seiberger, and Joan Gordon, all Acalanes High School students have been acting as counselors at Camp Celio in the high Sierra during the past weeks.

Slight Raise in High School Tax Rate Announced

A small increase in the Acalanes Union High School District tax rate for the 1952-53 school year has recently been announced.

The increase will be a slight jump from \$1.352 last to \$1.395 this year, or in round figures, the tax rate would increase approximately from \$1.40 to \$1.43.

LAST WEEK, the proposed \$782,785 budget for the Acalanes District was adopted as originally announced during a meeting of the high school board members.

In the budget, \$1,110.25 has been listed for food service, while \$498,140 has been set aside for purpose of instruction.

TOTAL INCOME this year is expected to be \$141,469. Last year's figure reached \$201,276 and plans were made at that time for the purchase of new school property.

Expenditures in last year's budget reached a total of \$662,415.

Committee Makes Plans For Rick's Drive Inn Hearing

A citizens' committee under the leadership of Lafayette Attorney John Bohn has been working the past few weeks in preparation for the coming public hearing concerning the on-sale general liquor license at Rick's Drive Inn.

This week, the committee drafted a letter which is now being sent to various organizations and groups in this area.

"NUMEROUS CITIZENS and organizations in the Acalanes Union High School District," the letter opens, "have expressed a strong interest in a pending application for an on-sale general liquor license at Rick's Drive Inn, 3223 Mt. Diablo Boulevard."

"It is believed that because of summer schedules, many organizations have not had an opportunity to consider the matter, nor will it be possible to do so before the time of the public hearing which is scheduled for Tuesday, August 26, at 10 a.m. at Justice Court Room, 604 Perry Street, Martinez."

"IF YOUR organization has considered this application," the letter continues, "and wishes to make a statement or pass a resolution regarding it, it is desirable to have such in the form that will include the following:

"1. Name and address of the organization.

"2. Number of members represented in the group.

"3. Signed by an authorized official.

"Please send your letter to the undersigned with instructions that it be delivered to the special examiner who will conduct the public hearing in Martinez on August 26."

"If you already have forwarded a letter to the Board of Equalization," the letter concludes, "in Oakland or Sacramento, we would like to have a copy to be used by the committee which is working on the basis that this application for a liquor license should be denied."

THE LETTER has been signed by Mrs. Paul Johanson, who is chairman of the Lafayette area, and who may be contacted at 1064 Brown Avenue.

Mrs. Ernest Spiegel, chairman of the Orinda area, who resides at 338 La Epitral, Orinda, and C. L. Aliman, chairman of the Walnut Creek area, who may be reached at P. O. Box 1111, also signed the letter.

In a personal phone call to Mrs. Fred Knobel, an active member of the citizens' committee, Sheriff James Long announced he would attend the hearing.

NAMES OF CITIZEN committee members who will speak at the hearing are expected to be announced next week.

Besides the letter, the group has been in the process of preparing a brief, and has been gathering facts and statistics which are to be presented at the hearing.

Opposition is generally based on the proximity of the location to Acalanes High School.

Scout Leaders to Plan Fund Drive At Monday Meet

Members of the joint co-ordinating committee of the Diablo area Boy Scouts and Girl Scouts will meet Monday evening at the home of J. Morris Browning, Los Arabis and Rahara Drive, Lafayette, for the purpose of making plans for the coming Scout finance campaign.

The campaign is scheduled for September 26 through October 6. Those who will attend the meeting will include the co-ordinating committee, community chairmen, and chairmen of advance gifts and business divisions.

The following persons are expected to be present: Fitch Robertson, Mrs. George Jensen, J. Morris Browning, C. R. Graff, John L. Stoffel, John E. Lavery, John W. Fry, G. H. Macey, Mrs. C. D. Anderson, Walter N. Boyesen, George H. Conner, Vaughn Cohune, Mrs. George Madden, Mrs. George Houghton, Mrs. John L. Gompertz, James G. Thomson, Ray McCoy, Jo A. Schockey, John S. Youmans, Jane Christie and Duncan Knudsen.

Young Republicans Get Greetings Sent From 'Ike'

With the toe-tapping rhythm of the new "Ike Song" providing melodic background, 200 Contra Costa Young Republicans met last Saturday at the Harvey Lyon estate in Lafayette to eat, swim, and become better acquainted... welcomed by no less than "Ike" himself!

In a personal letter mailed from his Denver headquarters, Eisenhower said: "Please extend my best wishes to the Young Republicans of Contra Costa County at your picnic-rally, August 9."

"WE ARE counting on the young voters of California as well as in other parts of the country, to take a leading part in this all-important crusade."

Governor Earl Warren added telegraphed greetings, while John Baldwin, sixth District Congressional candidate, Don Doyle, eleventh District Assembly candidate, and Gene Marshall, eleventh District Assembly candidate, joined the group for a barbeque dinner and a brief business meeting.

Before the evening ended, County Executive Board members met to map strategy; residents of the Orinda, Lafayette, Walnut Creek, Pleasant Hills, and Richmond chapters caucused; and all the Young Republicans pledged individual and collective efforts to the coming campaign.

Mrs. Morna Phillips Resigns as Assistant Sanitary Board Secretary

Mrs. Morna Phillips submitted her resignation as assistant secretary of the Contra Costa Sanitary District Board during their meeting last week.

She commented that recent developments had made it, "So I cannot cope with working conditions." The resignation was accepted and will become effective September 15.

STREET REPAIR costing \$400 for Allen Street, Lafayette was voted by the directors following the presentation of petition from property owners.

In a protest on the delay in repairing the street where workmen had dug a utility trench, Mrs. Herbert E. West and Earl W. Hassel, both Allen Street residents, appeared before the directors.

THE RESIDENTS HAD signed the petition, Mrs. West reported after considerable "dickering" on the

LOOKING MIGHTY SERIOUS as they discuss the future plans for each of their own organizations, are the presidents of the three local Rotary Clubs. Reading from left to right, we have Leighton D.

Fourth Annual Art Fair Program Set

Program for the Fourth Annual Art Fair September 5, 6, 7 and 8 at the Howard homes in Walnut Creek were announced today by Mrs. Peter Howard, president of Outdoor Art Shows, Inc., sponsoring the show. Michael Czaja is show director.

Central entry for the fair will be the drive of the Harmon Howard residence. Placed at the entry gate will be a large framed map of the grounds, showing places where special exhibits may be seen. There also will be a map and program plan in the catalogue, on sale at the entrance.

MR. CZAJA ANNOUNCES that every effort will be made to integrate the show with painting, sculpture, weaving, ceramics and other art objects. Bay area visitors may also see exhibits of silk screen printing, children's art, jewelry, wood sculpture, textiles and many others. A small admission fee will be charged.

Feature of the show will be art in action in the jewelry, pottery, weaving, wood sculpture and screen printing sections.

A LARGE SEGMENT of the show will be devoted to the architectural exhibit, with emphasis on city planning. It is in charge of this section.

Dale King, heading the furniture group, says she expects a large number of entries from the best of Bay area contemporary designers.

HOURS OPEN after preview night September 5, will be 12 noon until 10 p.m. with the program set up as follows:

Friday (preview night for sponsors)

of Outdoor Art Shows, these sponsorships may be obtained from any member of the organization or from Mrs. Stanley Bush, Concord, membership chairman. Hawaiian dancing by the Muana Kapeka dancers, Louise Cabrel, director; a KPFA of Berkeley sponsored interval featuring Althya Youngman, East Indian dancer. This will be followed by the awarding of prizes in all groups of the juried art show.

SATURDAY (children's day) Puppet show directed by Mrs. Gertrude Albright; lecture on the growth and development of children's art by Sylvia Finecheuber, story telling by Chuck Levi; Saturday evening entertainment by the "Leftovers" composed of Peter Engelhart, piano; Jim Reinheimer, saxophone; and George Kimball, trumpet. The Suburban Swingers, local folk dancing group will also be featured.

SUNDAY: Art in action; audience participation in spontaneous painting and making of mobiles; these will be auctioned off by Fred Udall, Walnut Creek Emcee. This will be followed by a one-act play entitled "Sham" presented by Edith and Leon Dinkin. Central staging will be used.

Monday will be "browsing" day with art in action taking the spotlight for part of the time. Mrs. Miller Bell will be in charge of the flower arranging while a demonstration of wood sculpture techniques will be demonstrated by Helen Snider.

The show will close Monday night.

Trail Ride Slated For Tenderfeet

The Concord-Mt. Diablo Trail Ride Association issued entry blanks this week especially for tenderfoot riders to participate in the August 29-31 competitive rides up and down the slopes of Mt. Diablo.

The ride will leave from Clayton around 9:00 a.m. August 30.

Entry fee of \$25 covers care of the

horse, feed, dinner on the mountain, breakfast, and dinner at Concord show grounds August 31, after returning.

Transportation will be provided for tack and bedroll, as on the main 90-mile ride, but there will be no judging of horses or timing limits. President Richard Nourse said a veterinarian will be on hand to care for horses.

Meanwhile, plans progressed toward providing an all-Western horse show at the Concord-Mt. Diablo Trail ride grounds in Concord Labor Day, September 1.

Rodeo features will be combined with Western horse show events to make up an 11-event program in the arena and in the riding ring. The show will start at 1:00 p.m.

Air Guardsmen Leave Tomorrow For 2-Week Camp

Led by Colonel Rollin B. Moore Jr. of Orinda, the 144th Fighter Wing of the California Air National Guard leaves tomorrow for its two-week summer training encampment at Gowen Field, Idaho.

This will be the fifth camp for the northern California organization, one of the coast's first lines of defense.

Equipped with F-51 Mustangs and other combat aircraft, the Wing will engage in simulated combat missions, aerial gunnery, navigation and other phases necessary to the maintenance of its high proficiency.

Officers and airmen from this area who will attend the camp are as follows:

Walnut Creek: M/Sgt Henry W. Berriman, A/B Thomas Butterfield, S/Sgt Daniel A. Costa, A/1c Donrow, S/Sgt Ray A. Davis, A/1c Edgar B. Feagans, A/3c Salvador A. Giammona, M/Sgt Edward S. Frog-man Thrills Are Yours-for New SUN Subs!

Now you can enjoy "Frog-man" thrills... without even leaving home.

Now you can be like a deep-sea diver as he explores the mysterious, unknown depths of the world's greatest oceans... without your leaving home.

For "Frog-man" swim fins and an underwater swim mask can be yours at no cost, thanks to an offer the SUN is putting into operation beginning right now! By securing just three new subscriptions to the Lafayette Sun, Orinda Sun or Walnut Creek Sun — or by turning in two new subscriptions and \$2 in cash — you can obtain the fins.

And you can receive the underwater swim mask by just selling one new subscription to any of the SUNS.

First Two-Year Charter Presented To Diablo Valley Area Girl Scout Council

The Diablo Valley Area Girl Scout Council has received its first two-year charter from the national Girl Scout organization.

Mrs. Frederick Hirschler, regional advisor, presented the charter to Mrs. George Jensen, president, on behalf of the council during Mrs. Hirschler's visit to the Day Camp in Upper Mitchell Canyon.

Charters are given to councils on the basis of volume of membership, number of volunteer leaders, number of troops, and the quality of the unit's program.

Previously, charters were issued to local Scout groups on a 12-month basis, but a new plan adopted at the national convention authorized the extension of the charter period.

The Diablo Valley Council, which includes Danville, Alamo, Canyon, Orinda, Lafayette, Walnut Creek, Pleasant Hill and Ygnacio Valley, received its first charter in November 1944.

According to Mrs. Jensen, president, girl scouting in this area has

PLAN YOUR STOPS

When you are approaching a street-intersection in your automobile and the traffic light changes to red, be sure to stop so as not to block the pedestrian crosswalk or the roadway of the cross street.

'Soul' — Christian Science Sermon Set For Sunday
A Lesson-Sermon on the subject "Soul" will be read in all Christian Science churches on Sunday. The sermon will be comprised of citations from the Bible and from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy. The Bible citations will include this verse from James: "IF YE FULFIL the royal law according to the scripture, Thou shalt love thy neighbour as thyself, ye do well" (2:8).
From Science and Health the following question and answer will also be included:
Question. — What are the demands of the Science of Soul?
Answer. — The first demand of this Science is, "Thou shalt have no other gods before me." This me is Spirit. . . . The second is like unto it, "Thou shalt love thy neighbor as thyself" (p. 467).

Want To Enjoy Garden Fresh Peas In Winter? Here's How To Go About It

By BERT WRIGHT

Yes, planting peas for fall harvest is a gamble! Both hot, dry weather and killing frost can cancel your crop, but from a gourmet's standpoint, fall peas are certainly worth a try. Think of enjoying peas, garden fresh, at a time of year you'd normally be opening cans!

FALL PEAS CAN be planted in the gaps left in the vegetable garden which remain following harvest of early potatoes, radishes, lettuce, carrots and beets. They need no additional feeding, assuring you thoroughly fertilized your garden in the spring, since they can utilize the residual fertility quite effectively.

You will have your best chances if you plant a dwarf, 50-day variety. Quick maturity is essential—or frosts will take the crop.

PLANT THE PEAS about seven weeks before the average date of the first killing frost in the locality. Sow them for a couple of hours, scatter them in a shallow trench the width of a hoe blade and cover with an inch of soil. Don't let August drought ruin the peas before they become well-rotted. Their natural growth time is in the moist, coolness of spring, so duplicate that environment as closely as you can with the hose—and perhaps even a mulch, if you're ambitious.

The plants may be trained up on a string between stakes, just like June peas. Training will make them easier to pick and may hasten maturity somewhat.

Pledge \$6575 For Jewish Building

Members of the Contra Costa Jewish Community Center have pledged \$6575 to the new building fund.

The announcement was made by David Zuckerman, financial committee chairman, at the group's meeting this week in Walnut Creek's American Legion Hall.

Membership Chairman Ben Kurtz said more than 76 families already have signed up as new members.

The new building will be a center for Jewish community activities including Sunday school.

The center also is planned to accommodate all clubs and community activities that require a meeting place.

JEWISH CULTURE, RELIGION and social activities were introduced into our community a year ago when the League of Jewish Women was first organized. The women in this picture are the first officers of the League. Standing, from left to right, are Mrs. Larry Litz, who was historian, and Mrs. Ben Kurtz, who was corresponding secretary. Seated from left to right are Mrs. David Zuckerman, former treasurer; Mrs. Robert Robinson, the original president of the group, and Mrs. Harry Schwartz, who was recording secretary. New officers, who were elected last July, include Mrs. Lewis Rapport, president; Mrs. Marvin Epstein, vice-president; Mrs. Harold Bloom, recording secretary; Mrs. Irving Leiber, corresponding secretary; Mrs. Sam Wiseman, treasurer, and Mrs. David Highet, historian.

Mutual Religious and Cultural Activities Lead to Formation of Spectacular Club

BY SHIRLEY HAWLEY
LEAGUE OF JEWISH WOMEN

Jewish culture, Jewish religion and Jewish social activities were introduced into our community a year ago by a group of women drawn together through spiritual and emotional ties of a common inherited background.

The League of Jewish Women, whose membership is now representative of a hundred Central Contra Costa families, emanated from the 1951 United Jewish Welfare Fund drive conducted in this area by Mrs. Lewis S. Rapport of Orinda.

A reciprocity luncheon meeting held at the Mt. Diablo Country Club for individuals contributing to this drive launched an organization which was to become one of the most active and spectacular groups of the community.

First officers voted to head the League were: Mrs. Robert Robinson, Walnut Creek, president; Mrs. Lewis Davis, Orinda, vice-president; Mrs. Harry Schwartz, Pleasant Hill, recording secretary; Mrs. Claude A. Waldo, Martinez, corresponding secretary; and Mrs. David Zuckerman, Walnut Creek, treasurer.

Regular meetings of the League of Jewish Women are held at the Women's Club in Walnut Creek the third Wednesday afternoon of each month at two o'clock. As a token of cordial inter-faith relations, luncheon preceding the meetings at 12:30 p.m. has been prepared during the whole year by ladies of the Walnut Creek Methodist Church, under the direction of Mrs. Florence Daly.

A swimming-and-dancing party at the home of Mrs. Joseph Scherman of Walnut Creek initiated members of the League and their husbands into an extensive series of local activities designed to bring local Jewish families together.

The full program included a family picnic at Mt. Diablo Park, a social and card party at the Art and Garden Center, folk dancing at La-

fayette Town Hall, a "jeans and gingham" party, a fashion show at the Mt. Diablo Country Club, workshops in bridge and sewing, entertainment for Camp Stoneman servicemen and a cake and rummage sale.

In keeping with Hebrew tradition of emphasizing importance of family life and family participation, one of the immediate undertakings of the League after its organization was establishment of a Jewish Sunday School for its children last fall in the Town Hall Building in Lafayette.

Without subscribing to any particular orthodox, conservative or reform tenets of Judaism, the Sunday School, which is a religious curriculum with instruction in biblical history, post-biblical history, current events and for the older children, comparative religions.

For the first time in the community, there were this year public Hebrew holiday observances of the Sukkes Festival, with a symbolic arbor of harvest built by the Sunday School children; Chanukah with its candle lighting ritual; and the Seder including its traditional Passover dinner prepared by women of the League.

Operations of the Sunday School, recessed for the summer but to be resumed in October, are on a co-operative basis, under joint chairmanship of Mrs. Martin Manders and Mrs. Sam Wiseman of Walnut Creek.

Co-operative parents of Sunday School children determine policies, maintain facilities and sustain a library of reference books for the Sunday School curriculum; while professional teachers, Mrs. Selma Ben Yehuda and Harold Zuckerman, were engaged during the past year for religious instruction.

One cannot mention the Jewish Sunday School without mentioning the dividing classroom partitions, built by David Zuckerman, co-operative father and Walnut Creek contractor.

The partitions were designed to be substantial; but they turned out to be so substantial, it took four men to carry each of the six partitions up a long flight of stairs from the Town Hall basement where they were stored during the week—only to be carried down again following the two hour Sunday School session.

Need of permanent building facilities not only for Sunday School, but for other community Jewish activities became especially evident to those fathers who gave up their Sunday mornings to toting partitions, blackboards, tables and other classroom equipment.

From this group of co-operative fathers, a committee of 10 men was appointed to lay plans for a Contra Costa Jewish Community Center Organization. Men comprising the planning committee were: Arthur Weisberg, David Zuckerman, Elliot Hartman, Samuel Wiseman, Hy Wiseman, Martin Manders, Lewis Rapport, Henry Brodsky, Harry

Jewish Women to Meet Wednesday

The next meeting of the League of Jewish Women will be held Wednesday at the Women's Club, Lincoln and Carmel, in Walnut Creek starting at 1:30 p.m.

"Principles of color and design in floral arrangements" will be presented in a lecture-demonstration by Mrs. Milton Bell of Walnut Creek. Arrangements of dried flowers and a variety of fresh flowers, fruits and vegetables will be included in her demonstration.

Mrs. Bell will also point out basic fundamentals in practical ideas in preserving flowers and the treatment of flowers in floral arrangements. A question and answer period will follow.

Preceding the meeting, luncheon will be served at 12:30 p.m. Reservations may be made with Mrs. Henry DeLugach, Walnut Creek 7765.

Schwartz and Robert Robinson.

With main efforts directed toward raising funds for erection of the Community Center, the organization, which is the men's counterpart of the League, elected officers in May.

Harry Schwartz, president; William Thorheim, vice-president; Elliot Hartman, recording secretary; Bernice Sharlock, corresponding secretary; Fred Katzberg, treasurer; Martin Manders, David Zuckerman, Arthur Weisberg, David Levy, directors-at-large; Lewis Rapport, regional director, Orinda and Lafayette; Sam Wiseman, regional director of Walnut Creek; Emanuel Sidorsky, regional director of Martinez and Concord; and Dr. Sam Fogelhut, regional director of Pittsburg.

To benefit the Community Center building program, the Women's League undertook its most ambitious project, the "Caravan of Fashions" fashion show in May at the Mt. Diablo Country Club, which drew an attendance of 450 people and netted \$754.

Fascination of viewing elaborate finery that one could not afford to buy, was enhanced by an impressionistic Algerian dance performed from behind a puff of smoke by danseuse Dulcy Stovner.

lay the persevering efforts of Mrs. Elliot Karlin, general chairman of the affair, who hunted down San Francisco's less genteel neighborhoods for some old-fashioned flash light powder magicians use on stage; and the efforts of Dr. Robert Robinson who rigged up an electric switch releasing a spark to set off the powder into a flash and the artful puff of smoke.

Moreover, international problems exerted their influence on the League of Jewish Women's fashion show. What was intended to be an affair of Egyptian theme was changed in view of trouble that was flaring up between Egypt and Israel at the time.

Descendants of people of Israel who were sponsoring the social event, made a hurried shift to an Algerian theme instead, according to Mrs. Robert Robinson, retiring president of the League.

As exemplified by the symbol of the Hebrew faith—a book, culture and learning are deep-seated in Jewish life.

For this reason, a study group for members and their husbands on "Our Jewish Heritage" was held an important place in the League's activities, under chairmanship of Mrs. Martin Abel.

Mariam Golden, Professor of Philosophy and Bible at Mills College, conducted the study group's first series of lectures on Jewish philosophy; which was followed by

OPEN SUNDAYS 'TIL NOON

a second series on Jewish history, given by Rabbi J. M. Seble of Parks Air Force Base.

As a break between the two study courses, the group attended a concert-lecture on Jewish music from biblical days to modern Israel times by Michael Loring, cantor.

To revive background and flavor of Hebrew customs, refreshments concluding these sessions, held at various homes of the members, have included typically Jewish food prepared by Mesdames Percy Cohn, Lewis Rapport, H. W. Stelmack, Irving Leiber, Hy Wiseman, Herman Silverman, Henry Brodsky and Elliot Karlin.

No organization got off to a less auspicious start than the League of Jewish Women did with its "Kiddie Corral" baby sitting service at last year's Walnut Festival.

Despite the fact Walnut Creek School District's birth rate exceeds that of any other in the county there was an evident lack of babies available for the League's first money-making venture.

Flood lights directed on the Corral's play yard and an announcement over the public address system by Walnut Festival officials brought no response; and the state of affairs became still worse when a workman dug through a power line, leaving the "Kiddie Corral" in the dark and also two dollars in the hole.

The League of Jewish Women looks with pride on its first year's record of accomplishments, and is making plans for its second year of service under leadership of the following newly-elected officers:

Mrs. Lewis Rapport, president; Mrs. Marvin Epstein, vice-president; Mrs. Harold Bloom, recording secretary; Mrs. Irving Leiber, corresponding secretary; Mrs. Sam Wiseman, treasurer; Mrs. David Highet, historian.

Appointed committee chairmen include: Mrs. Jack Cronin, ways and means; Mrs. Arthur Sharlock, social; Mrs. David Dolgin, publicity; Mrs. Lawrence Litz, workshop; Mrs. H. W. Stelmack, parliamentary; Mrs. Arthur Weisberg, membership; Mrs. Percy Cohn, religious education; Mrs. Harold Siner, telephone.

A membership tea will be held Wednesday, September 17 at the Women's Club in Walnut Creek, not only to honor new and prospective members; but to welcome new residents of Jewish faith to the community.

Howard Stovel to Address Realtors

Monday morning Howard Stovel Advertising director of the Oakland Tribune will be the speaker for the Real Estate Mart group at their weekly breakfast meeting at Planter's Dock in Lafayette.

Mr. Stovel, who has been associated with the Oakland Tribune for twenty-five years, and who is also the past President of the Oakland Advertising Club, will speak on "Advertising."

Local Photographers Attend Convention

Mr. and Mrs. Ted Gurney last weekend attended the Professional Photographers Association convention at the St. Francis Hotel in San Francisco.

Gurney said he was most impressed by the demonstration of Max Munn Autrey on glamour photography.

Tennis Clinic Still Open To Youngsters

Boys and girls between the ages of six and 18 years may still enroll in the Carnation Company's summer tennis clinic for the duration of the summer vacation period.

Instruction, racquets and balls are furnished free of charge by Carnation Company, Glove LaCroix, Carnation athletic director, emphasized.

Youngsters in this area may sign up any Tuesday at Alcalanes High School. The lessons last from 9 a.m. to noon.

On Wednesday, lessons are given at San Ramon High School in Danville during the same hours.

What inflation's done to your telephone

Our dollars buy less and less of the things we need to bring you good service

1. One of the brightest spots in your budget today is the telephone... for the prices we charge have gone up much less than those of most other things you buy. In fact, taking 1940 as the starting point, Pacific Telephone prices are 61 per cent behind the average price increases of other things. On the other hand, we're up against a serious problem in furnishing good telephone service to you. For our dollars buy less equipment and supplies, fewer employee working hours—smaller amounts of all the things we need to build and operate a telephone system—than at any time since the first telephone was installed in the West 75 years ago.

Our profit has dropped sharply on telephones added postwar

5.3% In 1940, this was the profit on each dollar invested in the average telephone added in 6 year prewar period

2.3% This was the 1951 profit on each dollar invested in the average telephone added in 6 year postwar period

Our operating expenses and taxes have shot up

\$53 per telephone in 1940

\$96 per telephone in 1951

3. Adding a new telephone since the war costs about twice as much as before the war. Yet the profit per telephone in 1951 was up only slightly over 1940—about a dollar a year. As a result, the profit on our investment in facilities for each new telephone has been more than cut in half. It's dropped from 5.3 cents on the dollar in 1940 to 2.3 cents in 1951. Surely, providing good telephone service under such conditions is a job full of challenge. And it's one we're determined to meet... for perhaps never before has good and growing service been so vital to the nation.

Pacific Telephone
